100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in The British Columbia Gazette and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

I HEREBY CERTIFY that "The Association for Christian Education of Prince George" has this day been incorporated as a Society under the *Societies Act*.

Given under my hand and seal of office at Victoria, Province of British Columbia, this seventh day of March, one thousand nine hundred and sixty-six.

[L.S.]      A. H. HALL,  
                    Registrar of Companies.

The objects of the Society are:—

1. To promote, manage, maintain, carry on, and conduct Christian schools:

2. To provide, direct, advise on, and carry out a curriculum of Christian education, at least equivalent to that of its counterpart furnished in the public school, based upon the Scriptures of the Old and the New Testaments, which we believe to be the word of God, as they are thus confessed in the historic creeds of the Reformation (cf. e.g., Articles 3-7, Belgic Confession) (see Appendix for a reprint of these articles); this article is unalterable:

3. Educational Creed: Believing that the Lord God, by graciously giving us the Scriptures, has revealed to His people certain basic principles intensely relevant to education, we confess:—

- (1) *Life*.—That since human life in its entirety is religion, God summons men to serve Him everywhere and requires that we educate our children in the fear of the Lord.
- (2) *Bible*.—That the Bible is the written word of God, the truth that enlightens our understanding, the power that directs our lives, and the infallible authority that governs all our activities, including the education of our children. In revealing that the world in its origin, gracious preservation, and ultimate restoration is the work of God and that the glorification of His name is the purpose of creation, the Scriptures provide us with the key to the knowledge of God, ourselves, and the world.
- (3) *God and Creation*.—That since God, who created all things by His word and spirit, constantly reveals His wisdom and power in the cosmos and exercises His dominion everywhere, we can rightly understand the world only in its relation to the Triune God.

- (4) *Man*.—That man was created in the image of God to enjoy covenantal fellowship with his Creator, and was instructed to exercise dominion over the world in strict and loving obedience to God, to interpret all reality in accordance with His design and law, and to reflect in his person and works the excellencies of his Maker.

- (5) *Sin*.—That man, by disobeying God's law and forsaking his office, estranged himself from God and his neighbour and brought God's curse upon the creation. As a result, fallen man has become blind to the true meaning of life and misuses and represses the knowledge of God which confronts him in creation and in Scripture.

- (6) *Christ*.—That the Christ of the Scriptures, the Word of God incarnate, reconciles the world to God, redeems our life in its entirety, restores our fellowship with God and the neighbour, and renews our mind to know rightly God, ourselves, and the world in which we live.

- (7) *The Kingdom of God*.—That the Kingdom of God established the rule of Jesus Christ over all things and makes education and science possible and meaningful. Since we must subject every thought in obedience to Christ, we therefore reject every attempt to withdraw any aspect of life from the divine commandment to love the Lord with all our heart and mind.

- (8) *Purpose of Education*.—That the purpose of Christian education is to direct and guide the child to commit his heart to Christ the Truth, to attain to understanding, wisdom, and righteousness, and to perform his competent and responsible service of the Lord.

- (9) *Parents*.—That God has given parents the responsibility to nurture and educate their children. In order to fulfil their educational task, parents should establish Christian schools.

(10) *The Christian School*.—That the school, established and controlled by an association of Christian believers in accordance with legitimate standards and provisions, possesses the freedom to function in the field of education in complete and voluntary submission to the Kingship of Christ.
